Soprano Descant 2011

1. A mighty fortress is our God, A might! We sword and shield victorious;
   God, A Lord, A strength, A strength, A strength,
   strength!
   strength!
   strength!

2. No strength of ours can match his might! We would be lost, rejected.
   would be lost, rejected.
   would be lost, rejected.

3. Though hordes of devils fill the land All threat’ning to devour us,
   devour us,
   devour us,
